Subject: Re: Important Typo in Agenda

"noval" instead of (as I assume) "Removal."

Steve

=

If that's in Agenda Item 2, all my copies indicate "Removal of Officers."

I had a long talk with Steve Miles from Gainesville last night and brought him up to speed on all the activities going on. He's very disturbed about the amount of funds spent on legal fees this past year, and was practically livid when informed about the recent \$18,000 payment to another attorney for possible future representation, considering this to be theft of funds. He will support us.
